'Fashion Show' at Washington High

Ceremonies officially marking the site where Alameda County's first Courthouse stood 100 years ago will be held at 1:30 p.m. next Saturday in Alvarado.

First of four centennial programs, the observance will be under auspices of the Alameda County Centennial Commission and the Native Sons of the Golden West, in cooperation with the State Park Commission.

The dedicatory address will be given by Joseph R. Knowland, past grand president of the N.S. G.W. and chairman of the centennial commission's historical and research committee.

Included in the program will be an official meeting of the county's Board of Supervisors at which time the 100-year-old minutes of the first board meeting will be read.

To designate the site as an official landmark, a bronze plaque will be presented by Knowland on behalf of the park commission to Supervisor Chester E. Stanley, board chairman. The plaque will be set on the site in a foundation donated by the Native Sons.

Ceremonies will be held on Levee 'Street opposite the intersection of Smith Street in Alvarado and will be followed by a tour of historic landmarks in Alvarado.

The observance will then shift to Centerville where the Washington Township Historical Society will hold a fashion parade and a museum display in the gymnasium of Washington Union High.

Featuring historic costumes worn in the Township, the fashion parade will be held at 3 p.m. During the program, baritone Stanley Noonan, radio and television artist, will sing, accompanied by William Keller.

The museum display, featuring 39 show tables containing items significant to the county's history, will be open to the public from 1 to 5 p.m. that day. Items exhibited will include original deeds of Spanish grants, early-day maps, clothing, books, glassware and similar relics.

Mrs. Roland Bendel will act as general chairman for the Centerville observance, according to Mrs. Joseph Clark Shinn, historical society president.

Centerville Presbyterian Church Has 100th Birthday

By STUART NIXON

One hundred years ago tomorrow nine pioneer settlers knelt in Centerville's only frame building — the school house — and brought into being a Presbyterian congregation.

Next Sunday the spiritual descendants of that congregation will celebrate their church's 100th birthday.

Anyone familiar with Centerville knows the Presbyterian Church there. Its clean New England lines, its needle-sharp steeple are town landmarks.

It has the further distinction of being the oldest church edifice of its denomination in this part of the state.

From all over California, former pastors, their widows, children and friends will gather on Sunday in prayerful thanksgiving for a bountiful and useful 100 years.

Essanay Fete Expected to Draw 10,000 to Niles Sunday; Town 'Goes Western'

Parade Entries Awards Grow

Five local beauties today entered a stretch drive for the title of queen of the Niles Essanay Day festival.

Feverishly selling tickets to gain votes for their candidate are Pacific States Steel mill, supporting Deloris Pawloski, 22; Township 20-30 Club, backing Marilyn Enos, 16; Niles TV, boosting Laverne Roberts, 19; International Kitchen, behind Betty McNulty, 24; and Peerless Grill, supporting Betty Powell, 16.

Ticket sales end at 1 p.m. Sunday, and "votes" must be in by then to Al Lopez, Niles Flower Shop, who will crown the queen after the parade in front of the local school.

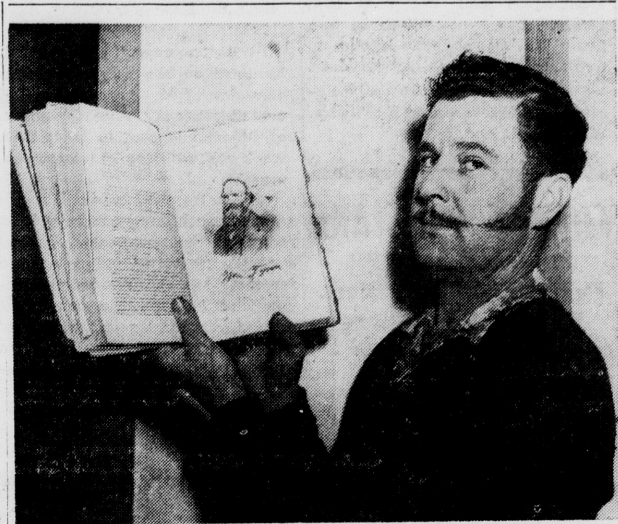

Scores of parade entries have been received by Chairman E. C. Parks of the Merchants Committee. They include floats, riding groups, marching organizations, Chambers of Commerce, school children in Western garb, bands, and 20 antique autos in running condition, entered by the Horseless Carriage Club of the East Bay.

Les Whitaker Jr., chairman of the event, today urged anyone and everyone to take part in the parade. It starts at 2 p.m. from Third and G Streets.

A tableful of awards have been donated by local groups, firms and individuals. Many are on display this week at Niles Furniture Company. A partial list includes:

- Gold Loving Cup for Essanay Queen, donated by Sletten's.
- Cup for Best Float, Central Bank.

Centerville Slated for \$1,500,000 Shopping Center, PG&E Offices

A \$1,500,000 shopping center . . .

A PG&E office building . . .

These are in store for Centerville in the near future, it was authoritatively disclosed Monday night at a planning session of the local Chamber of Commerce.

James R. Meyer, president of Glenmoor Homes, said he will build the shopping center this fall at the intersection of Glenmoor Drive and Washington Avenue. It will contain a supermarket, drug store and other outlets, he said,

and will adjoin a 10-acre recreation site which will serve the tract's anticipated 1100 homes.

Meantime, Peter D. Juhl, district manager for the Pacific Gas & Electric Company, said he has asked his company to build an office building on property it owns on Joseph Street, west of Main, in Centerville.

Juhl explained that although he anticipates keeping the present office in Niles, PG&E will be able to render better service to Washington Township as a whole from the more central location.

The meeting had been called to air zoning recommendations of a Chamber of Commerce committee headed by Lee S. Williams.

Williams' group posted a map showing (1) suggested commercial zoning of the present business district, plus Main Street north to Alder Avenue, Santos Road and Main Street, Machado's Corners and around the county office building, and (2) industry along Baine Avenue north of town to Alameda Creek.

LeRoy Broun criticized the commercial suggestions as "spot zoning," and countered with a plan to zone for business everywhere in the triangle formed by Main Street, Fremont Avenue and Santos Road.

"It's the only way you'll attract these big stores like Macy's, and the big shopping centers," Broun stressed.

The members present took no action. President Romeo Brunelli referred the issues back to Williams' committee again for revision in the light of comments made at the meeting. Then he named Meyer and Broun to the committee, swelling its membership to seven.

Designated a committee to study the Coro Foundation report on incorporation were D. A. Irwin, chairman; Broun, Eugene Manning, George Bonde Jr. and Harry Weber.

IRVINGTON GETS ZONE SUGGESTIONS

An appeal for local landowners to make their zoning wishes known to the Irvington Chamber of Commerce has borne fruit, according to Ernest Vayssie, chamber secretary.

Residents along Driscoll Road, Olive Avenue and near the Stivers Lagoon, north of town, already have communicated their desires to Committeeman Bill Humpert, Vayssie reported.

The chamber is seeking grassroots opinions before submitting its recommendations on revamping local zoning to the Alameda County Planning Commission.

'Biggest-Ever' Celebration

The Western spirit seized Niles this week as the big Essanay Days festival next Sunday drew nearer.

Staid townsfolk donned ten-gallon hats, boots and bandanas, merchants sprouted bizarre beards, bare-faces made "Sheriff" Bill Helm's calaboose, and everybody had fun.

The town is preparing its biggest-ever celebration to mark the 40th anniversary of the erection of the famous Essanay Film studio here.

Trees loaned by the California Nursery imparted a gay air to First Street, starting Monday. The impression of an old Western village was heightened by merchants who decorated their windows with paintings of Charlie Chaplin, Ben Turpin, Wallace Beery, Broncho Billy Anderson, and other Essanay stars who twinkled in Niles between 1912 and 1916.

E. C. Parks, chairman of the Merchants Committee of the Chamber of Commerce, which is sponsoring the fete, estimated that 10,000 persons will be on hand.

"Publicity we've had in big-city papers and on the radio is bound to draw throngs," Parks predicted. A permanent highway sign designating Niles as an early film capital has been placed by the merchants opposite the underpass.

To ease parking problems of the expected crowd, Parks today appealed to Niles car-owners to garage their autos next Sunday afternoon. In addition, sheriff's reserves will direct traffic, according to Capt. R. E. Condon; and the merchants have secured use of a 10-acre field at the end of School, D and Hillview Streets to accommodate out-of-town cars. The festivities start tonight with showing of oldtime films, some of

SEARS & HOUSTON**
Mr. and Mrs. Art Walton of
Oakland, owners of a pair of tele-

chased the Sears & Houston TV
and radio firm in Centerville from
Wes Sears.
Sears will devote his time to op-
eration and expansion of his New-

Centerville location for the
past 3½ years.
The Waltons announced they will
retain Sears' employees, and also
keep their Oakland stores, at 711
Washington and 211 East 18th

Leandro, but hope to move to
Centerville at some future date.
"We came here principally be-

**1912 'REGISTER'
CLEARS ESSANAY
ARRIVAL DATE**
A yellowed newspaper which
turned up this week in the home
of Kenneth Foster of Newark has
established beyond doubt the date
on which the Essanay Studios first
came to Niles.
The paper is a copy of The
Township Register, then edited by
Luther W. Rood, who is credited
with a big part in encouraging
the movie firm to settle in Niles.
Says the issue of Saturday, April
6, 1912:
"With a payroll of several
hundred dollars a week, and a
company of 52 artists and help-
ers, the Essanay Film Company
of Chicago located in Niles this
week and will stay at least three
months.
Nearly all available vacant rooms
and two or three houses have been
rented to the newcomers, besides
a couple of barns and a location
for their studio. Besides the ac-
tors and helpers, the firm have
with them a large amount of
paraphernalia and 16 head of
horses. These are used for dray-
ing purposes partly, but mostly for
work in the film production.
"Many of the actors with the
company are well known by sight
to readers of The Register, Essanay
films having been shown through-
out the Township many times. In
fact, one citizen was heard to re-
mark when one of the leading
characters was pointed out to him:
"Yep, he looks natural al-
right."
The article closed with this pre-
diction about tourists:
"That Niles will be the mecca
of many curious-inclined ones
the next few weeks, will prob-
ably be noticed."
The newspaper was salvaged by
Foster several years ago from a
home which was being demolished
on Thornton Avenue. It is the
only copy known to exist, and
clears up the oft-disputed point
regarding arrival of Essanay in
Niles.
The Rio Grande River, which
has its source in the San Juan
Mountains of Colorado, is approx-
imately 1800 miles long.

**PAY PHONE BILLS
AT IRVINGTON BANK**
Irvington telephone subscribers
who pay their bills in person
should pay them at the Central
Bank, Irvington, instead of the
telephone central office, starting
June 3, it was announced today
by S. D. Smith, manager for Pa-
cific Telephone here.
Establishment of the Central
Bank as a payment agency will re-
lieve the operators in the central
office of the necessity of handling
payment of telephone bills and
will facilitate the handling of the
telephone calls for subscribers,
Smith said.
Mail payments should still be
sent to the Pacific Telephone and
Telegraph Company, P. O. Box
510, Hayward.
On matters other than payment
of bills, customers should contact
the business office at 1201 A Street,
Hayward, as in the past, either in
person or by asking the telephone
operator for the business office.
Calls to the business office can be
made toll-free.

**BURNS FATAL TO
'AERIAL' THOMPSON**
Burns suffered in his Mission
San Jose home May 14 proved
fatal last Friday to Aerial Robert
Thompson, 75 former internation-
ally famed tightwire artist.
Thompson succumbed to second-
and third-degree burns in an Oak-

and former circus partner, Ellen.
Thompson had been ill since a
year ago when he wandered from
his home at 519 Ellsworth Street,
and lay semi-conscious in a nearby
wheat field for one week.
On May 14 he arose from his
bed only to have his nightgown
catch fire from a nearby oil
heater. Hearing his cries, Mrs.
Thompson rushed in and beat
out the flames.
Thompson 30 years ago was one
of the world's best-known and
most daring high-wire performers.
In San Francisco and at old Nep-
tune Beach, thousands witnessed
his skill in balancing or in riding
a bicycle on thin wires at great
heights.
Several years ago he and Mrs.
Thompson moved to Mission San
Jose. He had been in failing
health before that.
Services were held Monday
afternoon from Chapel of the
Palms, Centerville, with Rev. Ar-
thur Freeman officiating. Closing

DEEPEST SYMPATHY to members of the Robert Thompson family. Mr. Thompson passed away on Memorial Day at an Oakland hospital, after receiving several severe burns.

SIGNAL SURVEY ON HIGHWAY 17 AGAIN

The State Division of Highways will survey the Thornton Avenue and Jarvis Road intersections of Highway 17 to see if stop lights are justified there.

This word came Monday to the Township Chamber of Commerce from B. W. Booker, district highway engineer.

The signals, if recommended, must be paid for jointly by the county and the State, Booker said.

A State survey at Thornton last fall reportedly recommended against signals yet, saying traffic wasn't heavy enough.

The first national census of agriculture was taken in 1840.

L&V Edged, 2-0

The 1953 Washington Township Softball League made its debut last Wednesday, as L&V bowed to U. S. Pipe, 2-0.

It was the first contest of the season and it was a tight pitchers' duel between Pipe's Joe Sanchez and L & V's Lee Telles.

Sanchez, who is a junior at Washington Hi, held the Centerville runless, while scattering six safeties. Two of L & V's baseblows were two-baggers by Frank Rebeijo and Katie Schramm. The little right-hander struck out nine and issued only one base on balls.

Telles limited the pipemen to two hits, but both of them were clutch bingles.

Pipe's first tally came in the fourth on an error, a base on balls, and Third Sacker Joe Salvador's single.

The Pipemen's final score came in the sixth on the same pattern: an error, a walk, and First Sacker Jim Reynolds's single.

Telles also struck out nine, walked two, but was hurt by two mis-
cues.

Warm Springs Bows

Probably the best teams in this year's softball league met last Friday night as the Veterans of Foreign Wars bested the Warm Springs 10, 4-2.

The game was featured by a pitching contest between V.F.W.'s Ted Garcia and Warm Springs lefty, Marcus Galvan.

The Vets took an early second inning lead of 1-0, on an error, walk and Harold Alameda's single.

Warm Springs came back in their half of the third and tallied two runs when Manuel Azevedo and Frank Romero singled and Dave Priego doubled.

The Vets tied it up in the fifth on two errors and Mel Alameda's single to center.

VFW put the game off ice in the sixth as they scored the two winning runs off Stan Roderick's single and two Warm Springs errors.

Garcia fanned eight and walked three, while Galvan whiffed seven and also passed three.

DECOTO RETURNS TO TOWNSHIP C.C.

In a stormy session, the Decoto Chamber of Commerce Tuesday night voted to return to the Washington Township Chamber of Commerce which it quit two months ago.

The meeting was featured by: 1. Charges that the Decoto Chamber "is getting to be a one-man organization," leveled against President Manuel Hidalgo.

2. Hidalgo's apparent try to block a vote on return, by questioning the standing of members who are behind in their dues.

Hidalgo himself brought up the issue of the split with the Township Chamber. Then Kenneth Garcia shouted:

"This is getting to be a one-man organization."

Hidalgo then countered that Garcia, an alternate delegate, had attended the recent Township Chamber meeting without being authorized.

Garcia retorted with a quote from the Bill of Rights to the effect that he is free to go anywhere he pleases.

Debate on the return waxed hotter, with virtually everyone present arrayed against Hidalgo, who had backed the split. Finally Al Ferreira, a director, moved to rescind the April action leaving the parent chamber. But Hidalgo inquired:

"Have you paid your dues? If they aren't paid by March, then you have to rejoin, and you can't vote for two meetings."

Confusion reigned for awhile, as members proclaimed their good standing. One or two walked out in protest. At last J. P. Caldeira stalked to the rostrum, pulled out a membership card, slapped it down in front of Hidalgo and moved to re-affiliate.

Frank Borghi Jr. seconded the motion, which passed with about four or five "ayes" and no negative votes.

The action apparently reverses a vote taken in April, when Hidalgo and others complained that Decoto wasn't getting its share of attention from the Township Chamber.

Tuesday, however, several members voiced the opinion that "there seems to be some changes in the Township Chamber," and that all eight towns ought to work together.

In previous action, members voted to ask the Decoto Sanitary District to report on possibility of acting as a refuse-collection agency. County Sanitarian Julio Juarez said this is possible under existing laws.

'CATS WALK PLANK FOR PIRATES, 9-5

By TONY ROGERS

San Francisco's Pirates rallied in the eighth inning Sunday to defeat the Bearcat Club, 9 to 5, at Centerville.

The Cats were coasting along with the score 5 to 3 in their favor, when the roof fell in. Before the visitors retired, six runs had been scored on one hit, five walks, a hit batter, two errors, and a wild pitch.

John Garcia was driven from the mound during the rally, after pitching to the first four batters. Stan Roderick took over the pitching chore but was unable to put out the fire, although he finally retired the side on strikeouts. Garcia had fanned six and walked five, while dishing out six hits. Roderick fanned four and walked four for the day.

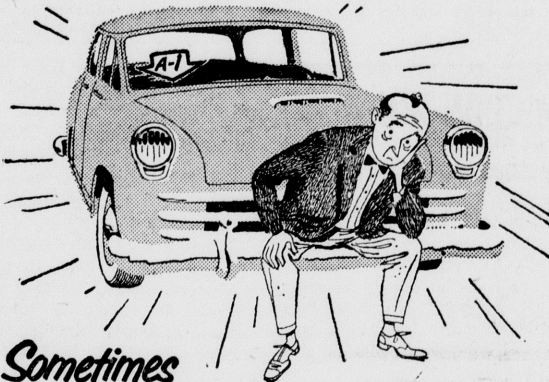

Rephail, the Pirates' starting

hurler, was blasted off the hill in the sixth by a Bearcat rally of Silver and Alameda, who hit doubles, and Garcia a homer to score three runs for Centerville. Costello replaced Rephail and held the local nine in check the rest of the way.

Sometimes We Ford Dealers wish our Used Cars weren't so good!

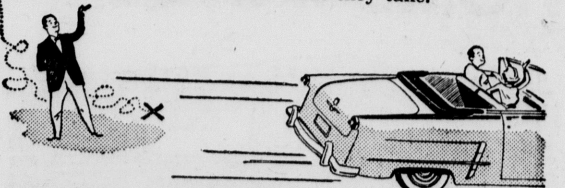

Folks come in all steamed up to buy a new '53 Ford. Excited as they should be. Then they take a look at some of the A-1 cars on our used car lot.

And that sets them to thinking. And debating. And pondering. Because most all of our used cars are as young as Springtime and shiny as a new dime. Folks look at the price tag and say "Hmmm ... Now...maybe we ought to..."

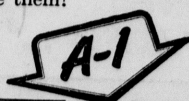

That's when we wish our used cars weren't so good. But you know there's nothing quite like a new '53 Ford (even our good used cars). And new Ford "wanters" know it, too. So a new Ford is what they take.

Maybe you're different. For any number of personal reasons you may want a used car—a good used car.

If so, we've got them. FERNANDEZ-BRUNELLI RITES ATTRACT THROG; 250 ATTEND RECEPTION LATER

Miss Geraldine Fernandez became the bride of Richard R. Brunelli on Saturday, May 23, after an exchange of vows at a nuptial mass in St. Joseph's Church, Mission San Jose, with Father Leal officiating.

Vocal solos for the mass were provided by Matt Whitfield Jr., cousin of the bride, accompanied by Mrs. Inez Silva.

The bride was escorted to the altar by her stepfather, Mr. Edward Chambers. Miss Fernandez' full length gown was of appliqued organza with a chapel length train. She wore an appliqued Juliet cap with a finger-tip veil attached at the back. The bride's bouquet was composed of white stephanotis, lilies of the valley, and a white orchid center.

Ballerina-length gowns of ice blue antique shantung, styled with halter necklines, full skirts and matching bolero jackets were donned by the bridal attendants. Miss Jean Philippe was maid of honor, and bridesmaids were Mrs. Don Querner and Mrs. Charles Allen. Each carried a bouquet of blue iris.

Miss Jill Voorhees, who acted as her cousin's junior bridesmaid, was attired in a one-piece yellow dress of antique shantung especially designed to resemble the bridesmaids' dresses. She also carried a bouquet of blue iris.

A. Harold Enos was best man; ushers were Don Querner and Lawrence Fernandez, the bride's brother.

For her daughter's wedding Mrs. Edward Chambers selected a

powder-blue crepe dress with navy and pink accessories.

Mrs. Romeo Brunelli, the groom's mother, wore a rose-beige suit and ruby velvet hat.

Arrangements for the reception which hosted 250 guests at the Washington Township Women's Country Club, were carried out by Mrs. Clyde Voorhees, cousin of the bride. The floral and table arrangements, which gracefully appointed the scene of the reception, were created by Mrs. Karl Nord-vick.

For her going-away costume, the new Mrs. Brunelli chose a beige wool crepe suit. Her hat was a neutral straw, faced and trimmed with aqua-blue velvet. Her shoes and bag were of brown lizigator.

The couple are planning a north-ern tour for their three weeks' honeymoon.

The justweds will reside in Centerville where Mr. Brunelli is employed at Central Chevrolet.

ZONE 6 HEARING SET FOR JUNE 11

First hearing of Zone 6 flood control before the Supervisors will be held next Thursday in Oakland.

The hearing will help determine whether to call an election to float \$500,000 in bonds to finance drainage canals around Irvington, Warm Springs and Mission San Jose.

RECORD-BREAKING GAS MILEAGE

for the driving YOU do!

This year's Chevrolet brings you the most important gain in economy in Chevrolet history. And it's the kind of everyday economy that saves you money wherever and however you drive!

Inch along through heavy traffic. Roll up the miles in steady highway cruising. Long trips or short errands, byroads or boulevards, you get far more miles per gallon in this great new Chevrolet.

New high-compression power is the reason. Both the new 115-h.p. "Blue-Flame" engine in Powerglide* models—and the advanced 108-h.p. "Thrill-King" engine in gearshift models—deliver more power on less gasoline. Acceleration and hill-climbing ability are greater, fuel consumption is lower!

This is the kind of economy that counts the most—important gasoline savings for the driving you do, together with lower over-all costs of upkeep. And along with it, you enjoy all the other advantages that only the new Chevrolet offers you. Come in and see for yourself!

*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission available on "Two-Ten" and Bel Air models only.

MISSION SEEKING NEW SCHOOL SITE

Mission San Jose, undergoing its biggest building boom in 150 years, is seeking more room for its school children—present and expected.

School Supt. Jed Oxborrow said today:

1. Negotiations are under way to buy a 10-acre site for a new school on Bryant Street, south of Vine. The land is owned by Carl F. Roberts.

2. Applications for State aid are expected to get results before the end of July.

The district has \$50,000 in bond money to build a new school—eight rooms and a kindergarten. But more than double that sum in State subsidies will be needed too.

One hundred thirty-six youngsters now crowd the old school on the highway, and Oxborrow and his trustees are racing against time to get ready for an influx of at least that many more.

In Mission San Jose, the Dick Lincoln Co. finished 50 new homes last fall, has another 106 under construction next to the proposed school site on Bryant Street. The Charles A. Russell Co. has another 86 homes under way next to Lincoln's new tract, bordering the Irvington Highway. More are reported in the mill, by other companies.

Lincoln's 3-bedroom homes, "nothing down to qualified GIs," are certain to attract families with youngsters, Oxborrow feels. Forty-five foundations had been poured this week, sanitary sewers are in, and a 21-inch storm-drain system has been laid.

Normally the old school would be condemned and torn down, Oxborrow says, but if the town continues to grow at its current mushroom rate, the building may have to be retained.

A NEWARK WINNER

The car owned by Dan Juarez of Newark and driven by Johnny Freitas of San Jose, took second place in the semi and main event at San Jose Speedway Saturday night, in the hardtop races.

Then spectators may go into the school auditorium to view four Chaplin films made in Niles, including his classic, "The Tramp." Chaplin himself, now in Switzerland, has been invited to the fete. SUZY SEZ...

Didn't the engineer of that train parked on the siding near Centerville look relaxed, sitting with his feet up, absorbed in a book?

Save your old nylons and cut them into strips for tying up ivy or rose vines, or even tomato plants.

The man in our house suggests that if you find it necessary to wash the sheepskin buffer for your polisher, it will come out as fluffy as new if dried on the machine with the motor on.

I heard this from a grandmother living in Alvarado. Have a variety of ear rings by painting the inexpensive "pearl" type with nail polish of several different colors.

In addition to making the outside of their homes more attractive, many residents here in Orchard Park have broken out with a rash of newly painted kitchens. Color schemes range from maroon and blue to a more conventional red and white. We may have carbon-copy houses, but that doesn't mean we have to fix the interiors alike!

When getting in a dig, be careful which way you throw the dirt.

Our youngest saw a Pekinese belonging to an Orchard Park neighbor, and when assured that it was a dog, remarked with disgust, "Some dogs really look like dogs!"

I discovered a friend in Newark recently elbow deep in dishes and suds. She says that they have to have company for dinner more often, or else serve guests on the every-day dishes, as she is tired of having to wash her dust-catching fancy dishes both before and after the meal. I will share with you a tip I gave her. Cover the stacks of dishes with plastic material, tucking it under tightly. That eliminates pre-dinner party dishwashing.

Centerville now has more auto dealers, both new and used, than any other business. A real Auto Row!

The man who placed all those bean poles in the fields next to the highway near Irvington before the plants even started, shows greater faith in growing things than I have!

Remember, some gossips have tales too humorous to mention. So long . . .

Gladys Williamson and Vernon Ellsworth of Niles, Gordon Cotton and Mrs. Norma Willburn of Newark, and Wallace Pond of Irvington, according to Whitaker.

In addition (1) all Washington Hi band members taking part will receive a month's free passes to Niles Theater, (2) Parks Air Force drill team members will get cigarette lighters from Niles Furniture, and (3) Queen candidates will get bouquets from Niles Flower Shop.
